

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: POULSEN, Véronique

Title: Dr

Profession: Ecotoxicologist

Current EFSA involvements: Member-Pesticide Steering Committee (PRAS), Chair-Pesticides - Ecotoxicology Meetings (PRAS)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a managing entity or equivalent structure			NO INTEREST
III. Member of a scientific advisory entity	01/2015 - now	-Name: EFSA, European Food Safety Authority, Italy, Parma	Chair of pesticide expert meetings
	07/2013 - 10/2014	-Name: EFSA, European Food Safety Authority, Italy, Parma	Chair - Pesticides - Ecotoxicology Meetings (PRAS)
	06/2011 - 02/2014	-Name: INRA	Scientific committee of a PhD on aquatic mesocosms studying effects of pesticides and chemicals Public and private funding of the PhD (from TOTAL) No financial interest, only scientific advices

	03/2013 - 07/2013	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Pesticides - Ecotoxicology Meetings (PRAS)
	04/2012 - 03/2013	-Name: EFSA, European Food Safety Authority, Italy, Parma	Chair - Pesticides - Ecotoxicology Meetings (PRAS)
	02/2010 - 10/2011	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - PRAPeR - Ecotoxicology Meetings (PRAPeR)
	02/2010 - 10/2011	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - PRAPeR - Ecotoxicology Meetings (PRAPeR)
IV. Employment	07/2010 - now	-Name: Anses	<p>Anses is issued from the merge of Afssa and Afsset.</p> <p>I am Head of the Ecotox and E-fate unit, in charge of the risk assessment for pesticides and fertilisers, in the european context (monographs) and at national level for authorisations. The Agency is involved only in the risk assessment. It provides a scientific opinion, which is sent to the ministry of agriculture, who takes the decision for national authrisations. Anses is not in charge of the risk managment for pesticides.</p> <p>I regularly participate to PRAPeR ecotoxicology expert meetings at EFSA during the peer review of active substances, as national expert, or as chair of the meeting.</p> <p>I am part of a working group, based on national public funding, that develops testing strategies for fertilisers risk assessment. This project is ongoing and a report will be published at the end of the projec.</p> <p>I represent my agency in a national expert group for ECOPHYTO (national program for the reduction of use of pesticides).</p> <p>Anses is not involved in research development of pesticides in view of their authorisation.</p> <p>My team and I participate in working groups, which published guidance documents used for risk assessment (e.g. ESCORT 2, ICPBR, AMRAP,...).</p> <p>Anses is not owner of software or computational models.</p>

	11/2006 - 07/2010	-Name: AFSSA	<p>I was first deputy head and later on head of the Ecotox and E-fate unit, in charge of the risk assessment for pesticides and fertilisers, in the European context (monographs) and at national level for authorisations. The Agency was involved only in the risk assessment. It provided a scientific opinion, which was sent to the ministry of agriculture, who took the decision for national authorisations. Afssa was not in charge of the risk management for pesticides.</p> <p>I regularly participated to PRAPeR ecotoxicology expert meetings at EFSA during the peer review of active substances.</p> <p>I was part of a working group, based on national public funding, that develops testing strategies for fertilisers risk assessment. This project is still ongoing and a report will be published at the end of the project.</p> <p>I represented my agency in a national expert group for ECOPHYTO (national program for the reduction of use of pesticides).</p> <p>Afssa was not involved in research development of pesticides in view of their authorisation.</p> <p>My team and I participate in working groups, which published guidance documents used for risk assessment (e.g. ESCORT 2, ICPBR, AMRAP,...).</p> <p>Afssa was not owner of software or computational models.</p>
V. Occasional consultancy			NO INTEREST
VI. Research funding			NO INTEREST
VII. Intellectual property rights			NO INTEREST
VIII. Other memberships or affiliations	01/2009 - now	-Name: SETAC	<p>SETAC (Society of Environmental Toxicology and Chemistry) is a scientific nonprofit, worldwide professional society. Its mission is to support the development of principles and practices for protection, enhancement and management of sustainable environmental quality and ecosystem integrity.</p> <p>It is the reference organisation for environmental science, which includes ecology, ecotoxicology, and environmental fate of compounds.</p> <p>SETAC organises annual congresses in Europe and other parts of world, where scientists may exchange and present results of research programs or regulation related programs.</p>
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
