

# BIOGRAPHY

29 June 2012.

---

**Title and name**

Professor John Threlfall BSc, PhD.

---

---

**Nationality**

British.

---

---

**Panel**

BIOHAZ.

---

---

**Education**

BSc, First Class Honours, 1966; University of Wales; PhD, 1969 University of Leicester

---

---

**Scientific and risk assessment experience**

Since being awarded a PhD in Microbial Genetics in 1969, John Threlfall has worked in the UK Health Protection Agency (HPA) (formerly the Public Health Laboratory Service) in a variety of roles, including:

Director, HPA Laboratory of Enteric Pathogens,

Head of R & D in the Gastrointestinal, Emerging and Zoonotic Infections Department

Project Director, EU-funded Med-Vet-Net Network of Excellence

HPA Programme Manager, DG SANCO-funded EURLOP (EU Human Reference Microbiology Options) project

**Current:**

HPA Programme Manager, ECDC-funded EU-LabCAT project, (targeted at rationalising human reference microbiology activities for Europe

Appointed to the EFSA BIOHAZ Panel in 2009; recently elected for a second term of office.

---

## Main scientific publications

---

Antimicrobial drug resistance

Molecular epidemiology of food-borne zoonoses.
