

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: BASTOS, Maria de Lourdes

Title: Prof.

Profession: Professor of Toxicology - University of Porto

Current EFSA involvements: Member-FEEDAP Panel 2012-2015 (FEEDAP), Member-Coccidiostats and Histomonostats 2012-2015 (FEEDAP), Member-Colouring Agents 2012-2015 (FEEDAP), Member-Feed Flavourings 2012-2015 (FEEDAP)

| Nature of Activities | Period | Organisation | Subject matter |
|---|--------|--------------|----------------|
| I. Economic interest | | | NO INTEREST |
| II. Member of a management body or equivalent structure | | | NO INTEREST |

| | | | |
|--|-------------------|---|---|
| III. Member of a scientific advisory body | 01/2008 - now | -Name: Portuguese Authority for Food and Economics Safety | <p>Belongs to the Scientific Committee of the National Agency for Food and Economics safety.</p> <p>The Scientific Committee of the Portuguese Authority for Food Safety and Economics (ASAE) of which I am a member, is a consultant Committee and the principal functions are:</p> <ul style="list-style-type: none"> - to give scientific advisory to the ASAE Director in the ambit of food chain, including technological development and research projects, with total independence. -to pursue the scientific and technological progress in the food quality area. -to proceed to the risk evaluation in the food chain and to propose legal and administrative rules. -to propose to the ASAE Director to perform studies, scientific meetings, seminars, and other activities aimed at the evaluation, education, and to sensitize in the ambit of food safety. <p>During the mandate, the Scientific Committee was only requested to advice the Director on the procedure to tentatively identify the components present in the product Depuralina, to which was attributed, by INFARMED, some health human disturbs. The advice was: to analyse, by GC-MS, the lot of the product that was putatively responsible by the claims.</p> <p>With the advice of Scientific Committee, the Seminar Resistance to antimicrobials-the Portugal situation, was carried out on 2010.</p> <p>No risk assessment or dossier analysis were made on Feed additives or any other product.</p> |
| | 10/2009 - 05/2010 | -Name: EFSA, European Food Safety Authority, Italy, Parma | Member - National Experts on Aspartame (AF) |
| IV. Employment | 01/1977 - now | -Name: Faculty of Pharmacy of the University of Porto | <p>Full Professor of Toxicology at the Faculty of Pharmacy of the University of Porto.</p> <p>This Organization does not have an official responsibility to carry out risk assessment /risk management. I am not personally empowered to validate/take management action/decisions. The Laboratory of Toxicology is sporadically requested by industry or others to make scientific/analytical dossiers on products. For example, we made in 2003 a Toxicological and Biological Activity Report on resorcinol to apply for marketing authorization as a flavouring agent in crustaceans.</p> |
| V. Ad hoc or occasional consultancy | | | NO INTEREST |
| VI. Research funding | | | NO INTEREST |
| VII. Intellectual property rights | | | NO INTEREST |
| VIII. Other membership or affiliation | | | NO INTEREST |
| IX. Other relevant interest | | | NO INTEREST |
| X. Interests of close family members | | | NO INTEREST |

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
