

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: LENG, Lubomir

Title: Dr.

Profession: Scientist

Current EFSA involvements: Member-FEEDAP Panel 2012-2015 (FEEDAP), Chair-Amino Acids 2012-2015 (FEEDAP), Vice-Chair-Mycotoxin Detoxifying Agents 2012-2015 (FEEDAP), Vice-Chair-Trace Elements 2012-2015 (FEEDAP)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a management body or equivalent structure			NO INTEREST
III. Member of a scientific advisory body	07/2009 - now	-Name: European Food Safety Authority	Member - FEEDAP Panel 07/2009-06/2012 (FEED) Member - WG Trace Elements 07/2009-06/2012 (FEED) Member - WG Amino Acids 07/2009-06/2012 (FEED) Member - WG Mycotoxin detoxifying agents , from 2011 till 06/2012 (FEED)
	06/2008 - 09/2009	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - FEEDAP Panel 2006-2009 (FEEDAP)
	07/2006 - 06/2009	-Name: European Food Safety Authority	Member - FEEDAP Panel, 07/2006-06/2009 (FEED) Member- WG Trace Elements, 07/2006-06/2009 (FEED) Member - WG Amino Acids , from 2008 till 06/2009 (FEED)

IV. Employment	04/1972 - now	-Name: Institute of Animal Physiology, Slovak Academy of Sciences, (UFHZ SAV).	Basic research at Slovak Academy of Sciences. Supervising of PhD students.
	01/1991 - 12/2011	-Name: Institute of Animal Physiology, Slovak Academy of Sciences, (UFHZ SAV).	Principal investigator of research projects
V. Ad hoc or occasional consultancy			NO INTEREST
VI. Research funding	01/2009 - 12/2011	-Name: Slovak Grant Agency for Fundamental Research, VEGA	Research grant for a basic research on mycotoxins in animal nutrition from VEGA, Scientific Grant Agency of Slovak Republic. Project VEGA 2/0006/09. Effects of fusarium mycotoxins on antioxidant status and immunity of poultry. Outcomes of research: Annual reports and Final reports for Grant Agency VEGA and Slovak Academy of Sciences. Published papers in peer-reviewed scientific journals. Presentation of results on scientific conferences. Finances from Grant Agency VEGA for year 2011: 10.325,- euro. Total budget for three year period: 27.097,- euro. No financial funding from private sources.
	01/2007 - 12/2011	-Name: Slovak Research and Development Agency (APVV)	Research grant for me as supervisor and for my post-doctorand to continue with a research on topic mycotoxins in poultry nutrition. Grant Agency of Slovak Republic, APVV. Project APVV-LPP-213-06: Effect of Fusarium mycotoxins on antioxidant status of poultry. Outcomes of research: Annual reports and Final reports for Grant Agency APVV and Slovak Academy of Sciences. Published papers in peer-reviewed scientific journals. Presentation of results on scientific conferences. Finances from Grant Agency APVV for year 2011: 14,500 euro. Total budget: 48,700 euro. No financial funding from private sources.
	01/2008 - 12/2010	-Name: Slovak Research and Development Agency (APVV)	Research Grant for a basic research on the role of selenium in animal nutrition, animal health and production. Project APVV-0399-07. The role of selenium in animal health and production. The research within a project was not focused on assessment of feed additives containing selenium in animal nutrition and that is why it was not related to feed additives per se. The primary objectives of project were to investigate the selenium metabolism and the role of selenium in antioxidative status of farm animals. Organic selenium (SelPlex) obtained as free sample was used in some experiments only as a source of trace element compound selenomethionine because no other suitable sources of selenomethionine were available. Inorganic Se-compound sodium selenite was bought from commercial supplier of chemicals Sigma. Outcomes of research: Annual reports and Final reports for Grant Agency APVV and Slovak Academy of Sciences. Published papers in peer-reviewed scientific journals. Presentations on scientific conferences. Total budget for three years from Grant Agency APVV: 119,598.0 euro. No financial funding from private sources. No research data were provided to company Alltech as supplier of SelPlex sample. No financial support was obtained from Alltech.

	01/2005 - 12/2007	-Name: Slovak Research and Development Agency (APVV)	Research grant for basic research from Slovak Grant Agency APVV: Project APVT-51-004804. Effects of subtoxic concentrations of mycotoxins in feed components grown in Slovakia on immunity and antioxidative status of poultry. Outcomes of research: Annual reports and Final reports for Grant Agency APVV and Slovak Academy of Sciences. Published papers in peer-reviewed scientific journals. Presentation of results on scientific conferences. Finances from Grant Agency APVV, total budget: 146,656.0 euro. No financial funding from private sources.
VII. Intellectual property rights			NO INTEREST
VIII. Other membership or affiliation			NO INTEREST
IX. Other relevant interest	02/2003 - 01/2006	-Name: Alltech	In years 2003 and 2006 company provided for us samples of products SelPlex and Mycosorb which were used in basic research by my PhD students for their PhD-thesis. Some results from experiments using Sel-Plex and dealing exclusively with biochemistry parameters (metabolism of selenium and the role of selenium in antioxidative status of farm animals) were published in peer-reviewed journals. These publications appeared also in period after 2006, up to year 2011. The primary aim of research was not the assessment of feed additive SelPlex. This selenised yeast was used only as a source of selenomethionine in several experiments focused only on basic research dealing with selenium metabolism in animals which was done by my PhD-students Regarding Mycosorb, PhD student used it in one experiment in year 2005. No research data from any experiment were submitted to Alltech company. We did not receive any financial support for a research from Alltech.
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.

Date: 21/09/2012 Signature: **SIGNED**
