

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: LOPEZ PUENTE, Secundino

Title: Prof.

Profession: University Professor and Scientist

Current EFSA involvements: Member-FEEDAP Panel 2012-2015 (FEEDAP), Vice-Chair-Organic Acids 2012-2015 (FEEDAP), Chair-Silage Additives 2012-2015 (FEEDAP)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a management body or equivalent structure			NO INTEREST
III. Member of a scientific advisory body	06/2011 - 10/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Silage (FEEDAP)
	04/2011 - 10/2012	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - FEEDAP Panel 2009-2012 (FEEDAP)

IV. Employment	08/2003 - now	-Name: Universidad de Leon ULE (www.unileon.es)	Legal remit of the institution: University, higher education, research Role: Professor of Animal Nutrition (since 2003 to present), with Responsibilities related to Teaching, research and extension activities related to animal nutrition in MSc and PhD degrees of Veterinary Sciences and Agronomical Engineering. Role: Head of Department (since 2007 to present) with Responsibilities related to Management and coordination of teaching and research activities in the Department
V. Ad hoc or occasional consultancy			NO INTEREST
VI. Research funding	02/2012 - now	-Name: Laboratorios Ovejero SA	Research contract: "Effects of vaccines on performance and welfare in sheep" Role: Project leader (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report Activity strictly not related to the remit of the scientific group
	01/2011 - now	-Name: Spanish Agency for Science and Technology, Ministry of Science (CICYT) (www.idi.mineco.gob.es/portal/site/MICINN/)	Research Project: "Total mixed rations for growing and fattening lambs" Funded by: CICYT (Spanish Agency for Science and Technology, Ministry of Science) Role: Senior scientist (personal involvement exclusively scientific) Responsibilities: to design, coordinate and conduct the experimental work Deliverable: study report Activity strictly not related to the remit of the scientific group
	01/2010 - 01/2012	-Name: Agencia Española de Cooperación Internacional para el Desarrollo (AECID) (www.aecid.es)	Research Project: "Nutritive value of forages and roughages in Eastern Cuba" Funded by: Agencia Española de Cooperación Internacional para el Desarrollo (Spanish Agency for International Cooperation and Development) Role: Project leader and senior scientist (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report
	01/2009 - 12/2011	-Name: Spanish Agency for Science and Technology, Ministry of Science (CICYT) (www.idi.mineco.gob.es/portal/site/MICINN/)	Research Project: "Fatty acid composition of dairy sheep milk and effects of inclusion of plant and marine oils in the diet" Funded by: CICYT (Spanish Agency for Science and Technology, Ministry of Science) Role: Senior scientist (personal involvement exclusively scientific) Responsibilities: to design, coordinate and conduct the experimental work Deliverable: study report Activity strictly not related to the remit of the scientific group

	09/2010 - 03/2011	-Name: Laboratorios SYVA SA	Research contract: "Effects of blue tongue vaccine on intake and performance in sheep" Role: Project leader (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report Activity strictly not related to the remit of the scientific group
	01/2008 - 12/2010	-Name: Junta de Castilla y Leon (Regional Council) (www.jcyl.es)	Research programme: "Ruminant nutrition and feeding" Role: Project leader and senior scientist (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report
	01/2008 - 12/2009	-Name: Agencia Española de Cooperación Internacional para el Desarrollo (AECID) (www.aecid.es)	Research Project: "Nutritive value of browse and fodder trees for sheep and goats in Tunisia" Funded by: Agencia Española de Cooperación Internacional para el Desarrollo (Spanish Agency for International Cooperation and Development) Role: Project leader and senior scientist (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report
	02/2004 - 05/2009	-Name: European Commission Framework programme 6th	Research project: "Plants and their extracts and other natural alternatives to antimicrobials in feeds (REPLACE)" Role: Project leader and senior scientist (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report
	01/2007 - 12/2008	-Name: Junta de Castilla y Leon (Regional Council) (www.jcyl.es)	Research project: "Biohydrogenation of unsaturated fatty acid and synthesis of conjugated linoleic acid in the rumen: in vitro studies" Role: Project leader and senior scientist (personal involvement exclusively scientific) Responsibilities: to write the proposal and reports and to design and coordinate the experimental work Deliverable: study report
VII. Intellectual property rights	11/2005 - 12/2010	-Name: Consortium of partners of project RUMEN-UP	Co-inventor of Patent WO/2005/099729 "Use of Plants and Plant Extracts as Feed Additives to Affect the Rumen Fermentation", published jointly by academic and industrial partners Patent never exploited commercially, therefore currently it can be considered as a scientific publication (and my role as co-author) with no IP implications. Activity strictly not related to the remit of the scientific panel (FEEDAP) and groups, as the patent dealt with feed materials (e.g. lettuce and oak leaves to be included at 10% in the diet) rather than with additives
VIII. Other membership or affiliation	01/2010 - now	-Name: ADSA - American Dairy Science Association	Member of scientific non-profit society ADSA - American Dairy Science Association
	01/2000 - now	-Name: AIDA – Spanish Asociación Interprofesional para el Desarrollo Agrario	Member of the scientific non-profit society AIDA – Spanish Asociación Interprofesional para el Desarrollo Agrario

	01/2000 - now	-Name: SEEP – Spanish Sociedad Española para el Estudio de los Pastos	Member of scientific non-profit society SEEP – Spanish Sociedad Española para el Estudio de los Pastos
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
