

ANNUAL DECLARATION OF INTERESTS (ADoI)

(Please note that high quality of scientific expertise is by nature based on prior experience and that therefore having an interest does not necessarily mean having a conflict of interest)

Name: BRIMER, Leon

Title: Dr.

Profession: Associate Prof. of Chemical Food Safety and Toxicology, Faculty of Life Sciences, University of Copenhagen, Denmark

Current EFSA involvements: Member-CEF Panel 2011-2014 (CEF), Member-Alkaloids (CONTAM), Member-Botanicals in food (ANS), Member-Flavourings WG (CEF), Member-Processing Aids WG (CEF)

Nature of Activities	Period	Organisation	Subject matter
I. Economic interest			NO INTEREST
II. Member of a management body or equivalent structure			NO INTEREST
III. Member of a scientific advisory body	01/2009 - 09/2009	-Name: EFSA, European Food Safety Authority, Italy, Parma	Member - Undesirable Substances in Feed-Section Natural Plant Products (CONTAM)

IV. Employment	01/1989 - now	-Name: University of Copenhagen	<p>Affiliated to the Faculty of Health and Medical Sciences, University of Copenhagen I am an Associate Professor of General and Veterinary Toxicology and Chemical Food Safety.</p> <p>My responsibilities and activities during the last about five years included research and teaching at all university levels (including PhD supervision) with special focus on chemical food safety. Recent publications as a result of my international research co-operations include among others papers on the microbiological effect of nanoparticles of zink oxide on food relevant pathogenic micro-organisms, development of advanced HPLC systems for the analysis of aflatoxins in processed food, occurrence of toxic cyanogens in different processed foods, and the kinetics of veterinary antibiotic drugs in different animal species.</p> <p>By April 2011 I had as the principle author published the university text book "Chemical Food Safety" by CABI Wallingford, UK (296 pages)</p>
V. Ad hoc or occasional consultancy			NO INTEREST
VI. Research funding	04/2009 - now	-Name: Zoological Garden, Copenhagen, Denmark	<p>Kinetics of veterinary antibiotic drugs in different animal species.</p> <p>The research was carried out in the frame of my position at the university of Copenhagen. The economic project support went to the University and I had no additional income from this research.</p>
	01/2009 - now	-Name: Danida (Danish Development Agency)	<p>The development of highly sensitive methods for the analysis of aflatoxins in cassava derived products by HPLC with post column derivatisation. The occurrence of aflatoxins in cassava and cassava derived product in West Africa.</p> <p>The research was carried out in the frame of my position at the university of Copenhagen. The economic project support went to the University and I had no additional income from this research.</p>
	01/2008 - now	-Name: SIDA (Swedish International development Agency)	<p>The occurrence of toxic cyanogens in processed foods (cassava derived).</p> <p>The research was carried out in the frame of my position at the university of Copenhagen. The economic project support went to the University and I had no additional income from this research.</p>
VII. Intellectual property rights			NO INTEREST
VIII. Other membership or affiliation	01/2010 - now	-Name: Danish Natural Science Academy	Invited member
IX. Other relevant interest			NO INTEREST
X. Interests of close family members			NO INTEREST

I hereby declare that I have read both the Guidance Document on Declarations of Interests and the Procedure for identifying and handling potential conflict of interests and that the above Declaration of Interests is complete.
